**DETAILED ACTION**

**Examiner's Amendment.**

1. Cancel claims 13-17 due to non-elected claims, elected without traverse.
2. Claims 1-12 and 18-19 are pending.

***Information Disclosure Statement***

3. The information disclosure statement (IDS) submitted on 12/15/03 was filed after the mailing date of the application. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

**Reason for allowance**

4. **Claims 1-12, 18-19 are allowed.**

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed limitations having a method of making an array of non-volatile memory cells on a semiconductor substrate surface comprising the steps of forming an array of first floating gate portions across the substrate surface with a gate dielectric layer therebetween, forming a masking layer over areas of the substrate not covered by first floating gate portions, forming sidewall elements in the openings in the

masking layer over first floating gate portions and forming second floating gate portions defined by the sidewall elements in at least one direction and contacting the first floating gate portion (claims 1-12) or forming second floating gate portions extending from first floating gate portions wherein each second floating gate portion extends along a plane perpendicular to the plane of the substrate surface and wherein the plane of the second floating gate portion bisects the first floating gate portion (claims 18-19).

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
